

FREE Coaching Days for Volvo RYA Champion Clubs

As one of our RYA Volvo Champion Clubs, we want to provide you with as much support in providing the very best quality race training at your club, encouraging as many young people as possible to develop their skills and ultimately have the possibility of gaining places in the RYANI Junior and Youth Squads.

With this in mind, we are offering two days of FREE coaching for all junior and youth sailors within our Champion Clubs, with the aim of bringing them up to speed with the latest coaching techniques, as well as giving tips and advice.

So how do we get an RYANI Squad Coach to visit your club?

It's easy – simply fill in the form below and return it to Richard Honeyford at the RYA NI, specifying preferred dates for an RYANI Coach to visit. Given the limited availability of coaches, we ask that you give us at least 8 weeks notice prior to the first date that you would like your visit to take place. This should ensure that we are able to make the necessary arrangements and help to avoid disappointment. You will be notified as soon as we have arranged for a coach to work with your sailors.
